MEMORANDUM FOR: LHM *[Signature]* FYI *OK*

John,  is securing nominations for this course as well as the Stanford course from the Group Chiefs. I believe we should have a CSB meeting early next week, perhaps Tuesday morning, just to review nominations for these two courses. Perhaps we can have a quick meeting in your office at 0930.

My personal opinion is that unless you are willing to commit one of our top triumvirate in the Groups/Staff, we should pass these two courses by.

*Agree.*
